

Golden Ring*****

(5 Smolenskaya Street, Moscow)

The Golden Ring Hotel, named after the group of ancient Russian towns, is located in the historical center of Moscow, opposite the Ministry of Foreign Affairs, close to embassies and not far from the Expocentr International Exhibition Center.

Genuine Russian scale and luxury were combined here with the most up-to-date achievements in the sphere of the hotel business.

The hotel offers 293 rooms of different standards and 2 presidential suits. The interiors of the Hotel were created keeping all particularities in mind. All rooms are equipped with modern facilities, all kinds of Internet access points, including Wi-Fi, satellite TV. Guests can also get printings of newspapers from all countries. In the conference halls of the hotel the events of different scales can be arranged. The Golden Ring Hotel also

offers banquet halls. A group of florist designers decorates interiors for any celebration.

Every restaurant of the hotel has its unique style, dishes of different cuisines are offered. The chefs are recognized throughout the world. On the ground floor there is a wine vault that keeps 10000 bottles. One of the best Russian wine collections is presented here.

You can find a Health and Beauty Center at the Hotel. In addition to sport facilities all kinds of SPA procedures are at your disposal.
